

Wood Ridge Public Education Foundation

**“The Quest for Excellence in
Public Education**

Let us introduce Ourselves!

The Wood-Ridge Public Education Foundation (WRPEF) is a 501(c)(3) nonprofit corporation created to address funding gaps for educational programs throughout our schools. WRPEF’s mission is to enhance and enrich educational opportunities for our students in all grades. To accomplish this goal, we will encourage increased partnerships with the community, local businesses and schools.

What could the money raised by WRPEF be used to fund?

The ideas are only limited by the imagination of the teachers and staff applying for these grants. The grants must be for educational projects which fall outside of normal district budgeting.

Up Coming Fundraising Events:

- *Paint night –June 6th
- *Outdoor Movie Night
- *Casino Night
- *Harlem Wizards
